HOW TO ORDER

STEP 1: SEND US A MESSAGE

Send a message (please don't call because we do not have a dedicated phone operator) to us via 0928 543 3448 on Whatsapp, Viber, or SMS. Wait for our response within 24 hours to confirm your order.

STEP 2: PAYMENT

To confirm your order, you can pay via the following methods: (1) bank deposit, (2) store payment, (3) over-the-phone credit card payment, or (4) GCash.

STEP 3: PICK-UP / DELIVERY

We'll deliver the food via Grab or Lalamove on your preferred date and time. For orders above P5,000, the delivery fee will be free.

IMPORTANT THINGS

- Once paid, we will only allow order changes such as cancellations and changes to date/time at least 48 hours before the specified date and time.
- For all large orders, we deliver via 3rd party services so we're not liable for damages outside our scope. However, if the mistake is on our end, we are more than happy to resolve the problem.
- Due to Manila's unpredictable traffic, we'll have orders delivered at least 1 hour ahead of time to make sure they reach you when you want it.
- For orders above P5,000, delivery is free. If not, we charge a delivery fee based on the location—our manager will inform you when you order.
- For special requests and customizations, feel free to let us know when you order.
